

professional summary

Creative problem solver, brand builder and designer with over 20 years of experience running a small marketing agency. As lead Creative/Art I developed strategy, worked directly with clients, created and reimagined brands, designed digital and print communications, managed all vendors, budgets, schedules and production through successful execution helping brands maximize their potential and honor their purpose. I am constantly curious, enthusiastic, empathetic and open-minded. I believe in inclusiveness and the value each individual brings to a project. To see my work and learn more please visit: suejohnsondesign.com

- Re-branded Campus Cooks resulting in increased sales and greater engagement with the company from prospective customers, clients, employees, and vendors. Overall web traffic up 14.70%, with a 21.31% increase in unique page views since launch.
- Repositioned and re-branded Uncommon Threads resulting in a 70% increase in sales.
- Pitched, won and nurtured long-term clients, many for 12+ years.
- Trained in graphic communication my design philosophy is to simplify the complicated, create clean, strong, beautiful communications that align strategically and help brands honor their purpose and maximize their business potential.

experience & clients

experience & clients

CHICAGO CREATIVE PARTNERSHIP jan 1998 - july 98

Senior Art Director — Chicago, IL

Full-service advertising agency.

- Worked directly with clients
- Concepted, designed and produced television and print campaigns for all major clients of this creative-driven agency.
- Pitched and won the Cellular One Wisconsin business by developing an advertising campaign that successfully repositioned the brand as “the coverage leader”— gaining market share and increasing sales. Campaign featured quirky Wisconsin personalities. Produced a series of full-page newspaper ads, outdoor and radio ads.

clients include:

Bob Evans Farms Restaurants
Bob Evans Farms Foods
